

Set Free From The Masons!

By George R. Holder / March 13, 2012

"John 8:36 If the Son therefore shall make you free, you shall be free indeed!"

I Was Deeply Into the Masons

I was a 32° Scottish Rite Mason, and was very proud of that fact. I wore wearing my Masonic 32° ring all the time. I also had ornate Egyptian looking certificates authenticating my rank in membership. Officially my rank title was: Sublime Prince of the Royal Secret. Isn't that a mouthful? The bottom line was that my father was very proud [I was his only son to accomplish this] after much effort and expense.] But things were later to change for me as a result of God's merciful intervention!

The Good Works of Masons

On a positive note the Free Masons are recognized for their good public works. From this point on I will use the shorter name, Masons. For example the Shriners [another branch] are often seen in parades with their loud bands, floats, and motorcycles. The Shriners wear their "Turkish style red Fez [hats]" with black tassel. [see photo] In Dallas, Texas the Scottish Rite hospital is well recognized nationally for its excellent help for crippled or sick

children. Good works are certainly a benefit, but Masonic members should not be deceived thinking that in any way that their "good works" will earn their eternal salvation.

See [Galatians 2:16 yet we know that a person is not justified by works of the law but through faith in Jesus Christ, so we also have believed in Christ Jesus, in order to be justified by faith in Christ and not by works of the law, because by works of the law no one will be justified.]

Masonic Membership Will NOT Give Eternal life

It is obvious to me that a Mason has some thoughts that his Masonic membership is somehow relevant to his eternal status. At Masonic funerals the diseased Mason's personal white leather apron is placed on his coffin at burial internment. This happened at my father's funeral.

Masons have Ancient Beginnings

The Freemasons are actually a very old and powerful group. They go back to before the beginning of the United States even into England and Europe. In my research I found evidence of a old Masonic lodge in Suffix, England.

There Are Many Branches of Masons

Masonic membership offers has many branches which include: The Blue Lodge, The Scottish Rite, The York Rite , Knights Templar, various parallel organizations including Easter Star, DeMolay and has gone by other names called illuminati [Light]. Is it not interesting that people of such darkness would call themselves light?

2 Corinthians 11:14b ...And no marvel; for Satan himself is transformed into an angel of light.

Some say that the KKK was infiltrated by Masons. The Masons even brag that the first president of the United States was a Mason and show graphics illustrating George Washington with a white leather lambskin apron about his waist. Ironically, even though blacks were not in the Lodges that I knew about, there were in fact lodges comprised only of those in the black race.

The Holy Bible in Masonry Is Only For Décor

Believe it or not, Blue Lodges actually have a Holy Bible in the room where meetings are held but like in many homes, The Holy Bible is only used as a decoration. On top of the Bible is prominently placed the all familiar symbol of Masonic Membership: compass, square, with the large letter G placed in the middle of the space surrounded by the compass and

square. The Holy Bible is never read but it is only an article of "furniture" or decoration in the lodge hall. The lodge meeting room has a black and white checkered floor along with large chairs placed in the north, south, east and west ends of the room.

Red Flags of Caution

The head of the Lodge was the one who sat in the large chair in the east and he alone wears a hat when he was serving as the head or master of ceremonies. His official title is shamefully called "*Worshipful Master!"

*[see Exodus 34:14 (KJV) For thou shalt worship no other god: for the LORD, whose name is Jealous, is a jealous God:] I noted that whenever the so called "worshipful" master referred to his god in voice, he took his hat off in open show of reverence to the Masonic god.

This alone should have been a red flag to me. But you see I was not as knowledgeable about The Holy Bible in those days. I also wanted as a good son to please my earthly dad and my father in law...for days I wanted more to please man than God.

Masons Do Solicit Members

Although officially the Masons say that they do not solicit members, in fact subtle pressure is exerted upon people in companies, corporations, and organizations. Masons subsequently can be found in *police, judicial, and political positions throughout all of American society. I noticed the Masonic police shoulder Patches found on the Internet. I found the Dallas, Texas police shoulder patches in that example. Whether these uniform patches are presently in use I do not know.

Demonic Strongholds of Masons

There are many demonic strongholds that the Masons have over their members in the area of ungodly vows including the secrecy of what really goes on in Masonic meetings. Any Christian in his right mind would never swear the ungodly vows that all blue lodge masons swear in their initiations as a new candidate.

Would you feel at ease or comfortable proclaiming in a church setting with your mother, wife, or girlfriend watching, saying "I agree to have my throat cut from ear to ear, or my tongue torn out by its roots, or to be disemboweled...if I don't keep my vow? I really do not believe you would do that.

What I have just stated above is similar to the many blood curdling oaths that Masons swear before others in secret meetings. It would appear to me that the high value of an individual's life would certainly be lowered. Depressing Huh?

The Illuminati

There is so much more data concerning the demonic roots of these orders. It is so ingrained in the American and the World culture that we will never know the whole truth until we go to heaven and see God's full revelation of the evil forces that surround us.

One World Order

Even while looking at American money you can clearly see the illuminati influence in the triangle with the all Seeing Eye which is borrowed to become an occultist symbol borrowed and adopted by the Masons. Notice the Latin: Novus Ordo Seclorum [one world order]

I Could Not Serve Two Masters!

I personally had a event that made my entire attitude toward membership in the Masons. The event that changed my life was my personal encounter with the

Holy Spirit of God! After that point in time I knew that I had to make a choice, between Satan as my master or Jesus as my master...for I could no longer serve two masters.

[Matthew 6:24 No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.]

[Luke 16:13 No servant can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.]

The Action I Had To Take

Upon receiving the fullness of God's Holy Spirit, I immediately knew that I also had to make a break from the Masonic Lodge in Dallas and break from any other association with the Masons in any form, If I were to truly please My Lord and Master Jesus Christ the Only begotten Son of God!

Immediately, I took a gallon of gasoline, and promptly burned in my back yard, all certificates, my white lambskin apron, and any membership cards. I was serious! That was the easy part.

Now the cost of my decision!

I publicly pronounced before witnesses that I had sinned by being a Mason, and that I was immediately renouncing, and disavowing any and all associations with anything having to do with the Masons.

My Father and Father in Law Were Both Shocked

It was then that my shocked father became bewildered about my decision. He clearly indicated to me that I was not only making a serious mistake, but he implied to me that I was jeopardizing associations with powerful forces that would practically guarantee my financial success in this world.

My father was certainly right about the influential power that the masons have in the earth, but my earthly father did not understand about my heavenly Father. The God and Father of Jesus is quite able to bless me in this world. [Deuteronomy 28:2 And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the LORD thy God.]

My Life Changed Because of Leaving The Masons

Since that time in the early 1970's, I have never regretted or looked back on my decision to follow Jesus with all my heart.

- * My children knew that I was following a real Jesus with all my heart.

- * I was determined to read the Word of God myself and know what the Holy Bible says.
